

**Medicine Admission For Patients Who Have Not Established  
With Their Reported Physician on Their Insurance Card**

Patients that need to be admitted that have a physician on an insurance card but that have not yet established a relationship with that particular physician should be admitted to the next physician on the no-doc on-call list.

Patients that will require outpatient follow-up should be encouraged to follow up with the physician on their insurance card. If they have no preference or indicate the physician on their insurance card is not their doctor, patient should be referred to the outpatient doctor on-call.

**Medicine Admissions For Patients Who Do Not Have a Doctor  
or Whose Doctor Does Not Admit to RMH**

Patients who need admission that do not have a doctor or whose doctor does not admit to RMH will be assigned to the next doctor on-call for hospital admissions in the on-call book.
